Statement of Reference

DMT GmbH & Co. KG, represented by the signees, herewith would like to express the contentment with the services of Mr. Youssef Azirar and Mr. Mustapha Bakkal of GeoAssistance SARL.

The service included the support of accommodation as well as handling of field equipment, information and assistance in local laws and procedures and organisation of field trip reconnaissance related to an offer preparation for a 2D seismic acquisition project in Morocco.

We would like to thank for the great supervision at local site and have no doubts to recommend the services of GeoAssistance SARL.

Yours sincerely
DMT GmbH & Co. KG
